

# UPLIFTING BLACK CULTURE AND COMMUNITY

## Black Policy Agendas

Knowledge is power. In an environment where Black communities face increasing hostility and ongoing efforts to roll back civil rights, understanding different Black policy agendas is more critical than ever. These agendas provide a blueprint for protecting hard-fought gains and advancing new policies—allowing Black communities and allies to better organize, advocate, and push back against harm. Here are a few examples of powerful Black policy agendas for us to learn from, build on, and analyze with our community:

- [Black Economic Alliance: Policy Agenda to Advance Black Work, Wages, and Wealth](#)
- [Black Futures Lab: Black Economic Agenda](#)
- [NAACP Black Policy Agenda](#)
- [Legal Defense Fund: Equal Protection Initiative](#)
- [Movement for Black Lives: Policy Platforms](#)
- [Black Women's Reproductive Justice Agenda](#);
- [ADOS Black Agenda](#)
- [Harris Opportunity Agenda](#)
- [Color of Change: Black Tech Agenda](#)
